ANNEX A

Decision of the Committee on Government Procurement on Notification Requirements under Articles XIX and XXII of the Agreement**Decision of 30 March 2012**

THE COMMITTEE ON GOVERNMENT PROCUREMENT,

CONSIDERING the importance of transparency of laws and regulations relevant to this Agreement, including changes thereto as required by Article XXII:5 of the Agreement;

CONSIDERING also the importance of maintaining accurate lists of entities covered under a Party's Annexes to Appendix I of the Agreement, in accordance with Article XIX of the Agreement;

ACKNOWLEDGING the challenges to Parties of submitting timely notifications to the Committee of changes to their laws and regulations relevant to the Agreement, as required by Article XXII:5 of the Agreement, and of proposed rectifications to its Annexes to Appendix I, as required by Article XIX:1 of the Agreement;

CONSIDERING that the provisions of Article XIX of the Agreement distinguish between notifications of proposed rectifications that do not change the mutually agreed coverage provided for in the Agreement and other types of proposed modifications of its Annexes to Appendix I;

RECOGNISING that technological changes have allowed many Parties to make use of electronic means to provide information on their government procurement regimes and to notify Parties of changes to that regime;

HEREBY DECIDES AS FOLLOWS:

Annual Notifications of Changes in Laws and Regulations

1. Where a Party maintains officially designated electronic media that provide links to its current laws and regulations relevant to this Agreement and its laws and regulations are available in one of the WTO official languages, and such media are listed in Appendix II, the Party may fulfil the requirement in Article XXII:5 by notifying the Committee annually, at the end of the year, of any changes unless such changes are substantive, that is, they may affect the Party's obligations under the Agreement; and in such cases, a notification shall be made immediately.
2. The Parties shall have an opportunity to discuss the annual notification of a Party during the first informal meeting of the Committee in the following year.

Proposed Rectifications of a Party's Annexes to Appendix I

3. The following changes to a Party's Annexes to Appendix I shall be considered a rectification under Article XIX of the Agreement:
 - (a) a change in the name of an entity;
 - (b) merger of two or more entities listed within an Annex; and
 - (c) the separation of an entity listed in an Annex into two or more entities that are all added to the entities listed in the same Annex.
4. In the case of proposed rectifications to a Party's Annexes under Appendix I covered under paragraph 3, the Party shall notify the Committee every two years, commencing with the entry into force of the Protocol of Amendment to the Existing (1994) Agreement.
5. A Party may notify the Committee of an objection to a proposed rectification within 45 days from the date of the circulation to the Parties of the notification. In accordance with Article XIX:2, where a Party submits an objection, it shall set out the reasons for the objection, including the reasons why it believes the proposed rectification would affect the mutually agreed coverage under the Agreement and therefore the proposed rectification is not subject to paragraph 3. If there is no written objection, the proposed rectifications become effective 45 days after the circulation of the notification, as provided for in Article XIX:5(a).
6. Within four years of the adoption of this Decision, the Parties shall review its operation and effectiveness, and make any necessary adjustments.

ANNEX B

THE COMMITTEE ON GOVERNMENT PROCUREMENT,

NOTING that pursuant to Article XXII:8(b), the Committee may adopt a decision listing additional work programmes, which the Committee shall undertake to facilitate the implementation of the Agreement and the negotiations provided for in Article XXII:7 of the Agreement;

DECIDES AS FOLLOWS:

1. The following work programmes are added to the list of work programmes on which the Committee shall conduct future work:
 - (a) a review of the use, transparency and the legal frameworks of public-private partnerships, and their relationship to covered procurement;

(b) *Compilation of SME Survey by the WTO Secretariat*

The WTO Secretariat shall fix a deadline for the transmission of the responses to the questionnaire by all Parties to the WTO Secretariat. 5. Review

Two years after the entry into force of the Protocol of Amendment to the Existing (1994) Agreement, the Committee shall review the effect of the best practices on expanding the participation of SMEs of the Parties in government procurement, and consider whether other practices would further enhance participation by SMEs.
