

COMMISSION DECISION

of 23 November 1995

repealing recommendation 80/823/EEC on the rational use of energy in
industrial enterprises

(95/505/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European
Community,

Whereas Commission recommendation 80/823/EEC⁽¹⁾
was adopted in order to implement the Community
'Energy Bus' programme and to create a data base concern-
ing a Community system of information, technical assis-
tance and consultation over the past ten years;

Whereas the 'Energy Bus' programme no longer exists;
whereas the principles contained in recommendation
80/823/EEC have been incorporated into Council Direc-
tive 93/76/EEC of 13 September 1993 to limit carbon
dioxide emissions by improving energy efficiency
(SAVE)⁽²⁾;

Whereas the Commission has stopped updating the afore-
said databases; whereas, also, the agreement between the
Commission and the parties concerned with achieving
the objectives of the Community 'Energy Bus' programme
has expired;

Whereas recommendation 80/823/EEC has been over-
taken by developments in the Community's legislation
process and is thus no longer relevant,

DECIDES:

Sole Article

Recommendation 80/823/EEC is hereby repealed.

Done at Brussels, 23 November 1995.

For the Commission

Christos PAPOUTSIS

Member of the Commission
