

COMMISSION REGULATION (EEC) No 3864/92
of 30 December 1992
fixing the import levies on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 816/92 ⁽²⁾, and in particular Article 14 (8) thereof,

Whereas Article 14 of Regulation (EEC) No 804/68 provides for charging a levy on imports of the products listed in Article 1 of that Regulation; whereas these products may be divided into groups; whereas the product groups and the pilot groups and the pilot product for each of these groups are set out in Annex I to Council Regulation (EEC) No 2915/79 of 18 December 1979 determining the groups of products and the special provisions for calculating levies on milk and milk products ⁽³⁾, as last amended by Regulation (EEC) No 3798/91 ⁽⁴⁾;

Whereas the levy on the products in any one group must be equal to the threshold price for the pilot product less the free-at-frontier price; whereas these threshold prices were fixed for the 1992/1993 milk year by Council Regulation (EEC) No 1375/92 ⁽⁵⁾;

Whereas, however, Regulation (EEC) No 2915/79 lays down special provisions for calculating the levy on certain assimilated products; whereas these products are listed and the method of calculating the levy on them described in Annex II and in Articles 2 to 12 of that Regulation respectively;

Whereas, as provided for in Regulation (EEC) No 2915/79, the component of the levy established using

a factor expressing the weight ratio existing between the milk components contained in the product on the one hand and the product itself on the other is, for products containing sugar or other sweeteners, calculated by multiplying the basic amount by the quantity of milk components contained in the product;

Whereas Article 12 of Regulation (EEC) No 2915/79 provides that for certain products originating in or coming from certain third countries a specific levy is to be applied; whereas the levy applicable to those products is fixed in Annex I to Commission Regulation (EEC) No 1767/82 ⁽⁶⁾, as last amended by Regulation (EEC) No 1502/90 ⁽⁷⁾;

Whereas, for as long as it is found that on importation into the Community the price of an assimilated product for which the levy is not equal to the levy on its pilot product is considerably lower than the price which would obtain if the ratio to the price of the pilot product were normal, the levy must be equal to the sum of two components:

— one component equal to the amount resulting from the provisions of Articles 2 to 7 of Regulation (EEC) No 2915/79 applicable to the assimilated product in question,

— an additional component fixed at a level which, the composition and quality of the assimilated product being taken into account, makes it possible to re-establish normal price ratios for imports into the Community;

Whereas Article 14 (3) of Regulation (EEC) No 804/68 provides that the levy on products in respect of which the customs duty has been bound within GATT must be limited to the amount resulting from that binding;

⁽⁶⁾ OJ No L 196, 5. 7. 1982, p. 1.

⁽⁷⁾ OJ No L 141, 2. 6. 1990, p. 5.

Whereas Commission Regulation (EEC) No 1073/68 ⁽¹⁾, as amended by Regulation (EEC) No 222/88 ⁽²⁾, provides that a free-at-frontier price must be established for each of the pilot products defined in Annex I to Regulation (EEC) No 2915/79; whereas these prices must be determined for products of good marketable quality;

Whereas the free-at-frontier prices must be established on the basis of the most favourable purchasing opportunities in international trade for the products listed in Article 1 of Regulation (EEC) No 804/68 other than assimilated products for which the levy is not equal to the levy on the related pilot products; whereas, when recording these purchasing opportunities, the Commission must take account of all information obtained direct or through the Member States concerning prices for delivery of third-country products free-at-Community-frontier and prices on third-country markets;

Whereas Commission Regulation (EEC) No 788/86 ⁽³⁾, as last amended by Regulation (EEC) No 1525/90 ⁽⁴⁾, specifies the free-at-Spanish-frontier values of certain cheeses imported from and originating in Switzerland;

Whereas, however, no account should be taken of information relating to small quantities which are not representative of trade in the products in question and quantities in respect of which price trends in general or other information available to it lead the Commission to believe that the price in question is unrepresentative of the real trend of the market;

Whereas the prices used must be adjusted where they are not quoted free-at-Community-frontier or where they do not apply to products of good marketable quality; whereas the adjustment in respect of an assimilated product the levy on which is equal to the levy on its pilot product must be effected in such a way as to allow, in particular, for differences in composition, maturity, quality and presentation between the assimilated product and the related pilot product; whereas adjustments relating to composition must be calculated by multiplying the difference between the milk component content of the pilot product and that of the assimilated product in question by the value attributed in international trade to one unit of weight of the milk component in question; whereas, when the other adjustments are being effected, the difference between the value attributed on the Community market to each of the relevant characteristics of the pilot product and the value attributed on that market to the corresponding characteristics of the assimilated product in question must be taken into account;

Whereas, if no information on prices is available, the free-at-frontier price may, by way of exception, be

established on the basis of the value of the raw materials contained in the pilot product in question (calculated on the basis of the prices of milk products for which prices are available), average processing costs and average yields;

Whereas, in exceptional circumstances, a free-at-frontier price may remain unchanged for a limited period where the new level of the price for a given quality or a specific origin, used as a basis for establishing the previous free-at-frontier price, has not reached the Commission to enable it to establish the next free-at-frontier price and if the Commission considers that the prices which are available could lead to sudden and considerable changes in the free-at-frontier price because they are not sufficiently representative of real market trends;

Whereas, in accordance with Article 19 (1) of Regulation (EEC) No 804/68, the nomenclature provided for in this Regulation is incorporated in the combined nomenclature;

Whereas Article 8 of Regulation (EEC) No 1073/68 provides that the levies are fixed every fortnight; whereas they may be altered in the intervening period if necessary; whereas the levy remains valid until another becomes applicable;

Whereas Council Regulation (EEC) No 2730/75 of 29 October 1975 on glucose and lactose ⁽⁵⁾, as amended by Regulation (EEC) No 222/88, stipulates that the treatment provided for lactose and lactose syrup falling within CN code 1702 10 90 by Regulation (EEC) No 804/68 and by the provisions adopted for the application of that Regulation is to be extended to lactose and lactose syrup falling within CN code 1702 10 10; whereas consequently the levy fixed for products falling within CN code 1702 10 90 also applies to products falling within CN code 1702 10 10; whereas to ensure that the provision in question is properly applied these products and the levy thereon should be explicitly mentioned in the list of levies;

Whereas Council Regulation (EEC) No 518/92 ⁽⁶⁾, (EEC) No 519/92 ⁽⁷⁾ and (EEC) No 520/92 ⁽⁸⁾ of 27 February 1992 on certain procedures for applying the Interim Agreements on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the Republic of Poland, the Republic of Hungary and the Czech and Slovak Federal Republic respectively, of the other part, introduce arrangements for reducing import levies on certain products; whereas Commission Regulation (EEC) No 584/92 ⁽⁹⁾ lays down detailed rules for applying the arrangements provided for in these agreements as regards milk and milk products;

⁽⁸⁾ OJ No L 56, 29. 2. 1992, p. 9.

⁽⁹⁾ OJ No L 62, 7. 3. 1992, p. 34.

Whereas Council Regulation (EEC) No 715/90 ⁽¹⁾, as last amended by Regulation (EEC) No 444/92 ⁽²⁾, lays down the arrangements applicable to agricultural products originating in the African, Caribbean and Pacific States or in the overseas countries and territories;

Whereas, pursuant to Article 101 (1) of Council Decision 91/482/EEC of 25 July 1991 on the association of the overseas countries and territories with the European Economic Community ⁽³⁾, no levies shall apply on products originating in the overseas countries and territories; whereas, however, pursuant to Article 101 (4) of the abovementioned Decision, a special amount shall be charged on imports of certain products originating in the overseas countries and territories in order to prevent products originating from these countries and territories from receiving more favourable treatment than similar products imported from Spain or Portugal into the Community as constituted on 31 December 1985;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92 ⁽⁴⁾ are used to convert amounts expressed in third country

currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 3819/92 ⁽⁵⁾;

Whereas it follows from applying these provisions that the levies on milk and milk products should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies referred to in Article 14 of Regulation (EEC) No 804/68 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 January 1993.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
