

COMMISSION DECISION

of 27 August 1982

terminating the review of the special measures in respect of imports of certain
nuts of iron or steel originating in Taiwan

(82/627/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 113
thereof,

Whereas, by Council Regulation (EEC) No 2464/77 of
7 November 1977⁽¹⁾, a special additional duty was
imposed on imports of certain nuts of iron or steel
originating in Taiwan; whereas Article 2 of this Regu-
lation declared Article 18 of Regulation (EEC) No
459/68 to be of analogous application;

Whereas the European Industrial Fasteners Institute
(EIFI) on behalf of all Community producers of the
product in question requested a review of this duty on
the grounds that it was no longer sufficient to remove
the injury caused by these imports;

Whereas the Commission consequently decided that a
review was warranted and published a notice to this
effect in the *Official Journal of the European
Communities*⁽²⁾;

Whereas the request from EIFI to review the special
duty was motivated by the fact that imports of the
product concerned had increased from approximately
5 500 tonnes in 1978 (the first full year in which the
duty was in effect) to 9 000 tonnes in 1979 and to

19 500 tonnes in 1980; whereas the level of imports
in 1976, the year before the duty was imposed, had
been 9 000 tonnes;

Whereas, however, the Commission has subsequently
discovered that imports in 1981 had fallen to approxi-
mately 5 000 tonnes, i.e. the same as 1978; whereas
the information available to date indicates that imports
in 1982 will not be greater than in 1981; whereas it is
consequently not considered necessary to vary the duty
of 15 %,

HAS DECIDED AS FOLLOWS:

Sole Article

The review proceeding in respect of the special duty
on imports of certain nuts of iron or steel originating
in Taiwan is hereby terminated.
